ABOUT EVE

Eve McDonnell is a children's book writer and artist based halfway up a hill in Co Wexford, Ireland. Her middle-grade adventure (for 9-12-year-olds), *ELSETIME*, won the Wells Festival of Literature Book for Children Award and was published in 2020 by Everything With Words. On the rare occasion when her head is not stuck in a children's story, Eve enjoys painting everything from rather grown-up pieces to fun children's murals.
